Notice Concerning Acquisition (OKI Business Center No.5) of Trust Beneficiary Interest in Domestic Real Estate and Disposition (OKI System Center (Land with Leasehold Interest)) of Domestic Real Estate

TOKYU REIT, Inc. ("TOKYU REIT") today announced that its investment management company, Tokyu Real Estate Investment Management Inc. ("Tokyu REIM"), had decided to acquire trust beneficiary interest in domestic real estate and dispose of domestic real state (respectively referred to as the "Acquisition" and the "Disposition") (the Acquisition and the Deposition collectively referred to as the "Transaction"). Brief details are as follows.

1. Transaction Details

1.1 Acquisition Details

Property Name	OKI Business Center No.5
Location	4-10-16 Shibaura, Minato-ku, Tokyo
Acquisition Price	¥11,900 million
Acquisition Price	(Excluding acquisition-related costs, property tax, city planning tax, etc.)
Seller	Domestic company (Please refer to "6. Seller and Purchaser Profile")
Brokerage	Yes
Decision of Acquisition	September 14, 2020
Contract Date	September 14, 2020
Acquisition Date	September 28, 2020
Payment of Acquisition Costs	September 28, 2020

1.2 Disposition Details

Property Name	OKI System Center (land with leasehold interest)
Location	1-16-8 Chuo, Warabi-shi, Saitama
Disposition Price	Total: ¥6,850 million (The disposition is scheduled to take place in the form of disposition of co-ownership in three phases (40% of co-ownership interest "1st," 30% of co-ownership interest "2nd," and 30% of co-ownership interest "3rd") and the planned disposition prices are as follows.) 1st: ¥2,740 million (40% co-ownership interest) 2nd:¥2,055 million (30% co-ownership interest) 3rd: ¥2,055 million (30% co-ownership interest)
Book Value	1st: ¥1,909 million (Expected value as of disposition date, 40% co-ownership interest) 2nd: ¥1,432 million (Expected value as of disposition date, 30% co-ownership interest) 3rd: ¥1,432 million (Expected value as of disposition date, 30% co-ownership interest)
Amount of Difference from Disposition Price	1st: ¥830 million (Note) 2nd: ¥622 million (Note) 3rd: ¥622 million (Note)
Purchaser	Domestic company (Please refer to "6. Seller and Purchaser Profile")
Brokerage	Yes
Decision of Disposition	September 14, 2020
Contract Date	September 14, 2020
Disposition Date	1st: September 28, 2020 (40% co-ownership interest) 2nd: December 24, 2021 (30% co-ownership interest) 3rd: February 25, 2022 (30% co-ownership interest)
Receiving of Disposition Costs	1st: September 28, 2020 (40% co-ownership interest) 2nd: December 24, 2021 (30% co-ownership interest) 3rd: February 25, 2022 (30% co-ownership interest)

(Note) Amount of difference between the disposition price and the expected book value as of the scheduled disposition date is indicated.

2. Rationale

TOKYU REIT strives to improve the quality of its portfolio, taking into consideration trends in the capital market and real estate investment market as well as the growth potential of the portfolio's cash flow in the medium to long term. The Transaction will be conducted as part of these efforts in accordance with the "Scope and Policy of Investment Management" as outlined in the Articles of Incorporation of TOKYU REIT.

(1) Acquisition of OKI Business Center No.5

The Shibaura area, where OKI Business Center No.5 (the "Asset to Be Acquired") is located, is on the east side of the JR Yamanote Line. In the area near Tamachi Station, the station nearest to the Asset to Be Acquired, a large-scale mixed-use development called "msb Tamachi" has been completed and multiple redevelopment projects are under way. In addition, with the opening of a new station called Takanawa Gateway Station between Shinagawa Station and Tamachi Station in March 2020, the area is expected to develop further in the future.

The Asset to Be Acquired is an office building located approximately an eight-minute walk from Tamachi Station on the JR Yamanote and Keihin-Tohoku lines, and although it has a building age of 38 years, it has maintained a certain level of competitiveness in the Shibaura area as it has undergone appropriate facility upgrades.

Simultaneous to the acquisition of the property, a fixed-term building lease agreement is scheduled to be concluded with an expiration date of March 31, 2030, and as a result, stable rental income is anticipated.

The NOI yield of the property over the past year calculated based on estimated rent level and occupancy rate as of the acquisition date is 5.31%, and contribution of stable earnings over the medium to long term is expected.

(2) Disposition of OKI System Center (land with leasehold interest)

OKI System Center (land with leasehold interest) (the "Asset to Be Disposed") is land with leasehold interest of a system center of Oki Electric Industry Co., Ltd. acquired by TOKYU REIT from Oki Electric Industry Co., Ltd. in March 2013. Although Warabi City, Saitama Prefecture, where the Asset to Be Disposed is located, falls outside of the central five wards of Tokyo and the Tokyu Areas, the focused investment areas of TOKYU REIT, the area offers excellent access to the city center and has high potential as a residential area.

In addition, while TOKYU REIT has enjoyed long-term, stable cashflow through a 20-year fixed-term business-use land lease concluded at the time of acquisition with Oki Electric Industry Co., Ltd., on this occasion, an offer was received from the purchaser, and it was determined that disposing of the property was the best option from the perspective of total returns (Note 1) under the current market environment.

TOKYU REIT judged the Transaction would further stabilize cashflow and increase total returns (Note 1) through the acquisition of a favorably located property that falls under the focused investment areas of TOKYU REIT.

Furthermore, in an aim to level off increase in cash distribution due to gain on sale of real estate from the Disposition and to accumulate reserve for reduction entry (Note 2), 40% co-ownership interest, 30% co-ownership interest, and 30% co-ownership interest are scheduled to be disposed on September 28, 2020, December 24, 2021, and February 25, 2022, respectively. As a result, gain on sale of real estate of \$760 million and provision of reserve for reduction entry of \$382 million from the Disposition are expected to be posted during the fiscal period ending January 2021 (35th Fiscal Period), while gain on sale of real estate of \$570 million is expected to be posted during both the fiscal period ending January 2022 (37th Fiscal Period) and the fiscal period ending July 2022 (38th Fiscal Period).

TOKYU REIT will continue to conduct investment management while closely monitoring trends in capital and real estate investment markets, all the while adhering to its investment policy. TOKYU REIT will strive to build a portfolio that leads to improvement in asset value and growth of net income per investment unit.

- (Note 1) Total income comprising income returns (rental income, etc.) and future capital returns (sale income) of each fiscal period.
- (Note 2) Based on the premise that the application of "Special Provisions for Taxation in the Case of Advance Acquisition of Land, etc. in 2009 and 2010" (Article 66-2 of Special Taxation Measures Law)" up to the limit amount of reserve as stipulated in "Ordinance on Accountings of Investment Corporations" will be accumulated as reserve for reduction entry.

3. Details of Asset to Be Acquired

Area Classification Office Area Classification Site/Floor Area (Registered) Site/Floor Area (Registered) Site/Floor Area (Registered) Sequence of the structure (Registered) Design Company Completion Date (Registered) Design Company Inspection Authority TAISEL CORPORATION Inspection Authority Tokyo Metropolitan Government PML (Probable Maximum Loss) of 8.1% is based on the earthquake risk assessment (detailed) report prepared by Engineering and Risk Services Corporation and OYO RMS Corporation (as of July 28, 2020). - (Note 1) An agreement on amendment of real estate trust is scheduled to be concluded between TOKYU REIT and the trustee on September 28, 2020.
- (Note 2) Following the consolidation of the land in trust on February 28, 2003, the two lots are scheduled to be changed to "1-6" in accordance with the registration of the change in address.
- (Note 3) A part of the south side of the land in trust (approximately 101 m²) is used for passage as a road based on Article 42, Paragraph 2 of the Building Standards Law (Paragraph 2 road) and four street lights owned by a third party are installed.
- (Note 4) The property management agreement is expected to be concluded between the trustee, the property management company, TOKYU REIT, and Tokyu REIM as of September 28, 2020.
- *The total number of tenants, assumed total rental income, lease deposits/guarantee deposits, and occupancy rate are based on projections as of the scheduled acquisition date (September 28, 2020).
- *Estimated NOI is the estimated annual figure excluding special factors from the revenue and expenditure of the acquisition fiscal year (not the forecast figure for the current fiscal period) and is based on the following assumptions.
- (1) Total rental income is the estimated figures of total income from the property based on an expected annual average occupancy rate (100%) as of the acquisition date (September 28, 2020).
- (2) Taxes and public dues are projected to be the same amount as the fiscal 2020 assessment amount.
- (3) Repairs and maintenance expenses are calculated based on expected figures assumed for the next one-year period.

On the other h derived from profitabilit producing property valua the value by the Income	Cost Approach looks into cost aspect of a reand, the indicated value by Income Approach y of a real property. In regard to an incomtion, the utmost importance should be placed of Approach. In conclusion, we have regarded the only as guide, and our concluded value is ful proach.

5.2 Asset to be Disposed

(JPY in thousands) (rounded down to the nearest specified unit)

Property Name: OKI System Center (land with leasehold interest)	Estimation	Estimation Notes		
Appraisal Firm: Japan Real Estate Institute				
Effective Date of Value	September 1, 2020	_		
Type of Value	Market Value	_		
Appraisal Value	6,850,000	We selected the value indicated by the income capitalization approach (DCF method) as the appraised value.		
Value Indicated by Income Approach	6,850,000	_		
Value Indicated by DCF Method	6,850,000	_		
Discount Rate	3.7%	_		
Value Indicated by the Right Ratio Method	6,080,000	_		
Vacant Land Value	7,610,000	We estimated the vacant land value (fee simple) by employing sales comparison and development methods.		
Ratio of Leased Fee Estate Value to Vacant Land Value	85%	We determined the ratio of the leased fee estate value to the vacant land value by taking into account the contents of the ground lease agreement of the subject property.		
Adjustment Rate for Contaminated Site Remediation	94%	We judged the adjustment rate for contaminated site remediation after considering the contamination level of the subject site, expected cleanup costs, and the remaining ground lease period.		
Reconciliation before Arriving at the Value Conclusion	Warabi Station on to Thanks to its proxing subject site could be buildings. However, taking into its leased to a credity would be continual. We reckoned that the property would be focus on ground resubject site upon the wed decided the value of the subject the investment behavior of the DCF method remediation costs for the subject site upon the subject the investment behavior of the subject the investment sets.	by is located within a walking distance from the Japan Railway Keihin Tohoku line. In the prospective multifamily to consideration the fact that the subject site worthy big corporation, we judged that it lay used as a site for a system center. The prospective purchasers of the subject corporate investors with deep pockets who not income and the reversionary value of the expiry of the ground lease. The property because the method best reflects avior of such prospective buyers. It we incorporated the contaminated site for the subject property when we calculated use at the end of the analysis period.		

The above appraisal value conclusion is a value opinion as of the effective date of value, indicated by the licensed real estate appraiser in conformity with the Japanese Real Estate Appraisal Act and Real Estate Appraisal Standards. A reappraisal of the same property could result in another value if it were carried out either by a different appraiser, with different methods, or at a different time. This appraisal does not guarantee or assure, at present or in the future, any sales transactions at the concluded value.

6. Seller and Purchaser Profile

The name of the company, etc., have not been disclosed as the seller and purchaser have not provided consent. There is no capital relationship or personnel relationship to state between TOKYU REIT or Tokyu REIM and said domestic company, and said seller and purchaser are not a related party of TOKYU REIT or Tokyu REIM.

Status of Property Acquirers, Etc. and Transactions with Interested Persons, Etc.
 The Asset to Be Acquired is not an acquisition from a party that has particular vested interest in TOKYU REIT or Tokyu REIM

As the property management of OKI Business Center No.5 is to be outsourced to TOKYU COMMUNITY CORP, which is categorized as a Related Party (Note) under TOKYU REIM's self-imposed Rules on Related-Party Transactions, upon implementing the procedures in accordance with the Rules on Related-Party Transactions, TOKYU REIT shall enter into a property management agreement upon acquisition of the property by TOKYU REIT as the condition precedent. As for the property management fees, a written opinion has been acquired from Urban Research Institute Corporation that confirms that the compensation is in line with the general level of fees paid by other investment corporations, etc., listed on the Tokyo Stock Exchange.

With respect to the transaction with a related party, etc., outlined above, multiple checks have been conducted based on the Rules on Related-Party Transactions, and based on the above results, they have been approved by TOKYU REIT's board of directors.

- (Note) Related Party includes Interested Persons, etc., as defined in Article 123 of the Order for Enforcement of the Act on Investment Trusts and Investment Corporations, as well as any entity that falls under the following (1) to (3):
 - (1) Tokyu Corporation and its subsidiaries (any entity that falls under the following);
 - Tokyu Corporation;
 - · A consolidated subsidiary of Tokyu Corporation;
 - A tokutei mokuteki kaisha (TMK) or special purpose entity (SPE) that was established based on the intention of Tokyu Corporation or a consolidated subsidiary of Tokyu Corporation and where the share of investment by silent partnership or other investment shares in that entity by the respective company exceeds 50%;
 - (2) Affiliates within the scope of consolidation of Tokyu Corporation;
 - (3) Tokyu Fudosan Holdings Corporation and its subsidiaries (any entity that falls under the following);
 - Tokyu Fudosan Holdings Corporation ("Tokyu Fudosan Holdings");
 - · A consolidated subsidiary of Tokyu Fudosan Holdings;
 - A tokutei mokuteki kaisha (TMK) or special purpose company (SPC) that was established based on the intention of Tokyu Fudosan Holdings or a consolidated subsidiary of Tokyu Fudosan Holdings and where the share of investment by silent partnership or other investment shares in that entity by the respective company exceeds 50%.

8. Matters Concerning Forward Commitment, Etc.

The transaction concerning the Second Transaction scheduled to take place on December 24, 2021, and the Third Transaction scheduled to take place on February 25, 2022, in the purchase and sale agreement concerning the Disposition falls within forward commitments, etc. by investment corporations as defined in the Comprehensive Guidelines for Supervision of Financial Instruments Business Operators, etc. set forth by the Financial Services Agency. The overview of the provisions regarding the penalties stipulated in each purchase and sale agreement for the Second Transaction and the Third Transaction is as follows.

When either party violates the agreed matters (including but not limited to provisions of representations and warranties) stipulated in each purchase and sale agreement for the Second Transaction and the Third Transaction, and such violation results in failure of achieving the purpose of the said purchase and sale agreement, the counterparty may cancel the said purchase and sale agreement before the completion of the Second Transaction and the Third Transaction. In such a case, for the Second Transaction, the violating party shall pay a penalty in the amount equivalent to 20% of the amount calculated by subtracting the purchase/sales price of the First Transaction of the sale agreement from the total purchase/sales price of the First through Third Transactions, and for the Third Transaction, the violating party shall pay a penalty in the amount equivalent to 20% of the amount calculated by subtracting the purchase/sales price of the First and Second Transactions of the sale agreement from the total purchase/sales price of the First through Third Transactions.

9. Settlement Method, Etc.

Payment of the purchase/sale price of the Transaction will be conducted at time of delivery for each property.

10. Financing Details

TOKYU REIT intends to fund the Acquisition using the amount obtained through the Disposition and loans.

(Note) Details of such loans are to be finalized on September 17, 2020 and September 24, 2020, and will be announced as soon as they are confirmed.

11. Outlook

Through the Transaction, gain on sale of real estate of ¥760 million is expected to occur during the fiscal period ending January 2021 (35th Fiscal Period), ¥570 million is expected to occur during the fiscal period ending January 2022 (37th Fiscal Period), and ¥570 million is expected to occur during the fiscal period ending July 2022 (38th Fiscal Period), resulting in a difference from the already announced forecast of operating condition and distribution for the fiscal period ending January 2021 (35th Fiscal Period).

For details, please refer to "Notice Concerning Revision to Expected Operating Condition and Distribution Forecast for the Fiscal Period Ending January 2021 (35th Fiscal Period) and the Expected Operating Condition and Distribution Forecast for the Fiscal Period Ending July 2021 (36th Fiscal Period)" separately announced today.

This notice may contain forward-looking statements, such as current plans, strategies, and future performance. These forward-looking statements are based on judgments obtained from currently available information. Please be advised that, for a variety of reasons, actual results may differ materially from those discussed in the forward-looking statements. Events that might affect actual results include, but are not limited to, fluctuations of the real estate market in Japan, general conditions of the Japanese economy, competitive pressure, and relevant regulations.

This notice is a translation of the original document in Japanese and is prepared solely for the convenience of non-Japanese speakers. There is no assurance as to the accuracy of the English translation. The original Japanese notice shall prevail in the event of any discrepancies between the translation and the Japanese original.
